Dear Members,

I would like to take this opportunity to introduce myself as a new sponsor of the Frankston Football Club.

Whilst I was aware of the football club was not competing in the VFL in 2017, it was not until I was invited to the Club in December 2016 and heard from a number of passionate and engaged football club and community members regarding how vital the Frankston Football Club is to the community.

I am long standing resident on the Mornington Peninsula and a self-confessed footy tragic, and I agree that the Peninsula needs VFL football in Frankston.

Having access to the highest level of competition within our community, to enable spectating and also a pathway to the AFL for our youth is imperative.

To ensure the Frankston Football Club is re-admitted to the VFL it is required to be financially stable.

Whilst CIA has become a sponsor there is more that I can do, *with your help*.

CIA has protected clients on the Peninsula for over 30 years, whether it be their home, their business, their car, their boat or anything else they might need protecting.

If you choose CIA for your insurance protection we will donate 5-10% of every policy to the Frankston Football Club annually, and advise you (to the cent) how much is being donated.

*Whilst it imperative to protect yourself, this is your chance to **help us protect VFL on the Peninsula**.*

Please contact me if you would like to enquire about CIA Insurance either by phone on **1300 4 INSURANCE** or by email at nathan@ciainsurance.com.au

Thank you for your continued support of the Frankston Football Club, and I look forward to enjoying VFL footy on the Peninsula with you well in to the future.

Kind Regards,

Nathan Woodhead
Partner – **CIA** Consolidated Insurance Agencies
