GENERAL MANAGER'S REPORT

I want to thank our 1200+ members and sponsors that signed up with the Dolphins in 2018.

It is now crucial that we re-sign our 2018 members and sponsors for 2019 and to do this we must call on our members and sponsors to help us share and promote our 2019 membership and sponsorship categories as we aim for 1500 members in 2019.

I want to also acknowledge the magnificent work done by the Frankston Football Club's board of directors led by Peter Geddes. We also had some fantastic mentors in Ian Dicker, Adrian Lloyd and Nick Theodossi helping the club.

I want to make special mentions to Tina Bremert, Yvette Barnes and from mid-year Saree Bremert for the hard work, long hours and excellence in providing the support to myself to ensure that we provide the best experiences and outcomes for our clients, members, staff and players. Without their support and dedication the jobs just would not get done, so a big thanks and well done to all 3 of them.

Thanks also to our volunteers who have helped with tasks around the club, mailouts, entering email lists, match day sausage sizzles. This has also been an enormous help, money saver and raiser for the club.

The challenge ahead is to ensure we can consolidate the club financially into the future and we need everyone to understand, yes, we were back in 2018 but the hard work can never stop year to year, as we build on the foundations we laid back in 2017 to ensure the club is never in a position again of losing its playing license. That will require the support of members and sponsors to continue to think about how you can help our club not only survive but to thrive into the future.

We have been working hard to make sure that we have good relationships with AFLSE and all the MPNFL clubs as there is no doubt that the Peninsula region of Victoria has always produced AFL/VFL quality players and we see this as a very important area for us to recruit our future players from, so the relationships must be strong to ensure this pathway provides opportunities for the regions talented players to aspire too and through it to enable these players to play football at the highest levels that they can.

We are thrilled to have appointed Danny Ryan as our Senior Coach for 2019/2020 and as we continue to develop and improve our list together, it will be exciting to watch our team grow together in 2019 and 2020. There is some exciting developments with VFLW football being played at Frankston Park in 2019 along with many other games of local, Reclink, ADF Championships, TAC and MPNFL games and finals so the ground will get a lot of use for sure but that creates much needed revenue as well.

We want to provide a wonderful experience for everyone who comes to the Frankston Football Club on game days and through any event or function. We are planning to make our home game days in 2018 family friendly and exciting days to attend with lots of activities for the kids and some good entertainment for the adults as well.

There is so much to be excited about as the Frankston Football Club continues to grow in the VFL competition in 2019, the broadcast lighting that will be ready for the 2020 season will open up wonderful future opportunities for increased member and sponsor activities/exposure, as well as some wonderful promotions for **SkyBus Stadium**, the Frankston region, the Frankston Football Club and our Functions by the Bay business.

As we build our club into the future I cannot stress the importance of your memberships and sponsorships as each member is and can be an ambassador to sell our club to your families and friend so that we can ensure that the Frankston Football Club thrives and prospers into the future, so I am asking for your assistance and help in any way possible to sell and promote our club and its facilities in 2019 and beyond.

I look forward to seeing you at the club soon and remember “Go Dolphins” in 2019 as there is great strength in numbers and we want to make our home games in 2019 a fortress for the Dolphins where the opposition feel our passion, hear our “Hill Gang with their bugles and drums” and supporters cheering on our boys and helping the boundary umpires as they throw the ball in.

“Please be a Part of it in 2019”

Regards

Gary Buckenara
General Manager

PRESIDENT'S REPORT...

Dear Members,

Congratulations to everyone who supported our club in 2018, together we have brought about the return of the Dolphins. It was great to see the players back on the field and as an AC-DC fan I loved hearing their newly adopted song 'Back in Black' ringing out around the ground as they entered the field each week. But the greatest sound of all was the club theme song sung proudly by players, coaches, staff and supporters in our first win for the season against North Melbourne at Werribee Park. Scoring 20 goals that day really gave us a glimpse of what is to come in the next few years as our team builds and matures.

Thanks to our team of club staff, casuals, part timers and volunteers who built the club and the team and gave us plenty to be proud of on and off the field. Please join me in applauding the work of Gary Buckenara (General Manager), Tina Bremert (Club Operations), Yvette Barnes (Functions By The Bay), Adam Skrobalak (Coach), Peter Cranwell (Football Manager) and the untiring efforts of all their magnificent assistants, casuals, volunteers and helpers. The club is now well-established and our next goal is to work together to take a 'step up' as we aim to be a VFL force in 2019!

“be part of it”

Club Governance.

My thanks to all Board members for their hard work in 2018. I would like to make special mention of our retiring Board members Dennis Hovenden, Stuart Dalton and Peter Barr for their massive contribution to our club. The wit, enthusiasm, skill and acumen of Dennis will be sadly missed and as leader of the lights project he leaves behind a tremendous legacy and we are sure that he will be there when we cut the ribbon on our broadcast quality lights at the first game in 2020. The lights project will transform the brand, look and use of Frankston Park for many decades into the future, well done Dennis. Stuart Dalton brought a fresh face and some new ideas to our team and will now have more time to spend with his wife and 4 young children. He convened our first formal Dolphins in Business breakfast which is set to bloom next year into becoming a key part of us building new business partnerships. Peter Barr has been a stalwart of the club in multiple roles on Committees and in the football space for many years. He was able to provide us with a connection from past to future and his work over the last two years around facilities and buildings has helped us build a bridge to our future. Thanks to all three of you and we look forward to seeing you around the club to see the fruits of your good work.

A special mention goes to AFL Victoria Competitions Manager who has just 'hung up the boots' on a 40 year career in football. Our old grand final foe was there to support us when we said goodbye to our team at the 2016 players exit meeting and has given us constant support and guidance as we 'saved the dolphins' and re established our VFL team. John will always be welcome at Frankston.

The challenge for our club to clear debt still continues over the next 4 years but we are now confident that we can build on the good work of the last two years and with your help we will create a club that will rise up the VFL ladder in coming years.

Commercial Platform.

Thanks to the sponsors, fundraising, game day events and of course our magnificent Functions By The Bay we have been able to finish the year 'in the black'. Thanks to all the sponsors who have supported us, the people who attended functions, the thousands of members & supporters who come to our games we not only have achieved our revenue targets but we have also started to rebuild our club culture.

We are currently working more closely with all our sponsors to ensure that we can deliver even better win-win partner relationships for them. It will be great to see you all back in 2019.

I would like to make a special mention of our Functions By The Bay and Dolphins Canteen & Sausage Sizzle game day staff and volunteers. Firstly to the game days. After a busy 2017 Tina and Marg's canteen team, gate staff and Gerry's sausage sizzle gang lifted their game to the next level with huge numbers of drinks, snacks and hot food items being sold culminating in the 8000 crowd at the MPNFL Grand Final – a massive sea of people to feed and water – everyone that assisted should feel really proud.

Yvette's Functions By The Bay staff laid the foundations in the first half of 2018 and reaped the benefits in the last 5 months with some outstanding business results and have now set the business up to take off. So for everyone out there you can be totally proud of our function centre and recommend it with confidence to your friends and family. But get in quick with your bookings for 2019 as Functions By The Bay is quickly becoming the preferred destination for all your functions, parties and event needs! Yvette and her team are outstanding!

Football Talent

Our thanks to outgoing coach Adam Skrobalak for his and his team's huge effort in putting together a team from scratch. I'll let everyone read Adams report to get some more detail on the ups and downs of the season but from my point of view it was all 'ups' as we saw some great talent take to the field every week. Well done to everyone in the football department. And welcome to DR (Danny Ryan) as our new coach.

Elite Facility

2018 saw us take the bold step to continue to invest in our facilities and infrastructure. Significant achievements were the installation of the Graham Room kitchen, the complete refurbishment of the canteen and of course the funding approval for the Broadcast lights which will be constructed during 2019 ready for our first game in 2020.

Of equal importance are the mini projects that are done by staff, members, players and volunteers. With freshly painted change room, signs on fences, rubbish removal, window cleaning, etc we not only improve our facility but also start to build that local community club culture that makes Frankston FC a great place to be.

Membership Drive

Wow, so many people to thank and so much to celebrate when it comes to membership. Tina, David, Deb, Jan and Sarah have done a magnificent job with membership and merchandise and the loyal members night group have kept the club alive on Friday nights for another year.

We are now targeting 1500 members for 2019 with an early bird special that is too good to pass up so go to the website and get yourself a bargain in membership and merchandise value.

Community Connections

One of the greatest pleasures I get personally is to hear people start talking about Frankston FC as a community club. Our brand grows on the back of what we can do for others. Can we bring supporters pleasure, help out local charities and not for profit groups, give individuals a hand up, provide employment experience, support local events and community groups? Yes We Can. And let's look forward to more of it in 2019 and beyond. We are the hub of football on the Peninsula!

Go Dolphins!

Frankston Football Club 2019 – "RIDE THE WAVE"

Merry Christmas and Happy new year to all.

Peter Geddes

President

Frankston Football Club

FOOTBALL REPORT...

First of all, I would like to thank the club for the opportunity it gave me to coach the club in season 2018. Overall, I'm very proud of the football program we put in place for the 2018 season and the development of the coaches and players over the course of the year, and I hope it has helped lay a platform of excellence from which the club can build from.

Being our first year back in the competition, we knew that there would be challenges in re-establishing the football program. Initially, bringing together a list from scratch was perhaps underestimated externally but we were pleased to sign five players returning to Frankston from the 2016 season.

The ability to recruit four players from 2017 AFL lists in Jake Batchelor, Todd Elton, Will Fordham and Mitch McCarthy was also really exciting. I would also thank St.Kilda and Lewis Pierce for their foresight and courage to allocate Lewie as a full time player to Frankston for the year. I was able to influence this as well with my role at the Saints, but most credit goes to Lewie for how he embraced the club and performed accordingly. My hope is that his success will encourage further arrangements like this that are in the best interests of both the players and Frankston FC but the falling down of the VFL women's team may hinder this somewhat.

The pre-season program was compromised in a number of ways, with the major ones being:

- the high numbers of players we welcomed to training, starting with 117 players on the opening night. This was a conscious decision we made to have an open invitation in our re-entry into the VFL but in hindsight these volumes meant our coaching resources were stretched too thinly and we only started to see the quality of training that we wanted post-Xmas when we had significantly reduced our training numbers.
- the time it took to lock in our coaching team and support staff, meaning we were under-resourced at the commencement of pre-season. Money played a part in this as did the location of Frankston and my own network not being in this area.
- approximately 3 months of pre-season where SkyBus Stadium was unavailable to train on, meaning we were rotating through alternate training venues, some of which were well off VFL standard. This effected our on ground training, off ground physical training and our education sessions.

I know the club reviews conducted throughout the year and post-season, captured the above challenges and plans were put in place to avoid those for the coming pre-season. It is critical for the future success of the club that we are offering an elite facility and practices for our players, coaches and staff. When trying to recruit top-end talent we are already challenged by our geographic location and our recent years on-field performance, so need to be able to leverage our oval's elite surface and its lack of a cricket pitch as much as we can. This should be an advantage we maximise compared to other VFL stand alone clubs who are often forced to find alternate training venues during cricket season.

Forming a better careers network would also enhance our ability to recruit and retain players and coaches. In my opinion this is going to be a major factor in the ongoing success of the club.

I'd like to acknowledge the terrific work of our 10-man leadership group, headed by Captain Blake Mullane and his Vice-Captains Will Fordham, Aloysio Ferreira and Corey Rich, who played a key role in bringing the new list together.

On-field, the early part of the season was highlighted by victories against North Melbourne at Werribee in Round 3 and Coburg at home in round 6. Obviously the North Melbourne win was a milestone and the scenes after that game will live in the memory for a long time. Not coincidentally, these two games were our most productive offensively with Corey Rich a stand out up forward in both games.

The second half of the season saw us reach deeper into our list, eventually playing 48 players for the season. Accordingly we saw a drop off in performance and some big losses punctuated the back end of the year. Given that we finished 14th in the competition, it should come as no surprise that we ranked low in some statistical categories. What was pleasing that our best was good enough but this was not produced on a consistent basis.

The average age of the team fluctuated between 21 and 23 years of age for most of the year and our challenge remains to build a more evenly spread age demographic across the team. Likewise from a VFL games experience, we finished the year with an average of 17.5 games across the list, with 5 players having over 50 games experience and a further 6 with 20+ games experience (no players had 100 games experience). We need to increase this in order for us to sustain our competitiveness against mature-bodied teams which punctuate the VFL competition.

From a player development perspective, I've touched on Lewie Pierce already. Will Fordham and Corey Rich both had tremendous seasons and generated interest from AFL recruiters. Corey was also named in the VFL Team of the Year and should be proud of his efforts, although he was duly rewarded for the hard work he put in over the course of the season. Whilst neither Will or Corey found an AFL home during the draft period, if they can build on their performance next year they are well placed to make an impact at the next level. Alfie Jarnestrom and Jack McHale were both good stories, playing all 18 games in their first year out of the TAC Cup system. Nathan Scagliarini also played 18 games and his progress in the second half of the year as a contest winning midfielder was also encouraging. Examples of players being rewarded for strong year upon year performance were shown in the 2018 AFL draft and rookie draft.

We were all delighted to see Lewis Pierce earn promotion to the St.Kilda AFL side for the last three rounds of the year on the back of a strong body of games, which ultimately saw him win our Best and Fairest award and win a new one-year deal at St.Kilda.

We spent considerable time post season reviewing our off-field program and on-field performance and identified some key improvement areas for next season and beyond. These include:

- Recruit players with elite traits in ball use, contest winning, running ability
- Dedicated pre season to problems - footy/physical/mental
- Continue to add to game plan - in line with player ability
- Add VFL/AFL experience to the list
- Add stronger bodied players to the list
- Continue to build on coaching standards and structure
- Continue to build High Performance area of influence and output
- Club culture must continue to build
- Build stronger relationship with Stingrays & local clubs
- Build a structured job network & interstate recruiting network

Whilst the weather didn't always help for our home games, we showed that there is strong support for the Dolphins and hopefully with an improving team and strong local content, we can see more crowds like in round 1 versus Essendon. A big thank you to all our members and supporters for sticking with us in 2018.

Obviously it was tough decision for me when the Saints presented me with an opportunity for an upgraded full time role with a strong focus on contest work. I can assure you it was one I wrestled with, but the opportunity to make a significant impact on the program in an area which is my strength was too good to pass up. It's been encouraging to receive the feedback from the St.Kilda coaches on the growth they have seen in my coaching as a result of coaching Frankston in 2018.

I'd like to congratulate Jake Batchelor on securing a full-time coaching role at St.Kilda too, which coming only one year after finishing in the system as a player is a pretty remarkable achievement. Jake invested heavily in his coaching craft and his development from start of the season to the end was great to observe and he deservedly was rewarded for that.

Many thanks to the expanded coaching team and the rest of football department for all their effort in 2018. It really was an unprecedented challenge and everyone involved should be extremely proud of the foundation that was laid for our football program.

I think the club made the right appointment in giving Danny the opportunity to coach in his own right, so wish good luck to Danny and the team in season 2019.

I'll continue to help the club wherever I can and will watch the team's performance closely next year.

Go Dolphins!

APPRECIATIONS

VOLUNTEERS

A big thank you goes out to all those people who donated their time to the Club – your help & support is greatly appreciated by all.

Throughout the year we are always looking for help on match days to sell memberships, merchandise, raffle tickets etc.

Simply contact the Club to register your interest!

A big thank you to Bruce Andrews, Graham Jackman and their staff for all their hard work during 2018.

“We strive to provide a long term, ever changing and exciting venue for buyer and seller alike, catering to both the young and young at heart.

We’re hugely proud of the wide variety of goods, services and entertainment that are showcased each and every Sunday. We are very much a community based market with a strong emphasis on meeting the needs of the people of Frankston, Southern suburbs and the Mornington Peninsula.

We welcome stallholders and patrons from all over Melbourne whilst actively encouraging all to participate and enjoy all the fun of the fare that is a true Frankston icon.”

FRANKSTON SUNDAY Market

Every Sunday in Young Street Frankston near the station between Blockbuster Video and Good'n'Cheap

Famous for a wide range of plants & seedlings!

PLENTY OF STALLS WITH: ■ BRICK-A-BRACK
■ ARTS - CRAFTS ■ HOUSE HOLD GOODS

Open 8am - 1pm Admission \$1.00 Enquiries Ph: 9462 1520

Plenty of space available for New Stall Holders!

2255413-13 BB

SkyBus	Solid Display Systems
Splendor Kitchens	Tasman Meats
The Big Fish - Fish Market	Total Commercial Cleaning

FUNCTIONS BY THE BAY REPORT...

What can I say about Functions by the Bay (FBTB), it's been an amazing year! We set a target at the beginning of the year and we have more than exceeded it. FBTB is kicking goals!! We have created strong partnerships with suppliers and local businesses creating a positive name in Frankston and the Mornington Peninsula.

We have had positive feedback on catering, staff and amenities encouraging repeat business, but ensuring new business is always coming in. Look out 2019, we are on our way!! We have had some different functions this year that have even had me laughing. We have had a fire breather, smoke ceremony, multiple dance ceremonies and even a snake dissected in the room. Our ability to be accommodating to all different types of functions has ensured our popularity.

December has been our busiest month in 2018 with the "Hotter than Hell" tour, Christmas parties, seminars, birthdays and a wake. Over the last 3 months we have built great momentum with the rooms always being booked out! We will increase this in 2019.

FBTB has committed professional staff, (which now stands at 11) with prospects, as we get busier, to hire more. We provide a wonderful work environment fostering amazing professionalism and a promise to our guests that they will have the best experience ever! This has been recognised by all our functions.

Looking forward to 2019, we are excited to strengthen ties with local football to gain their presentation nights/balls, local businesses and more weddings. Next year we look forward to holding our own Wedding Expo in July where we can truly showcase ourselves.

Thank you to all for supporting FBTB this year, it has truly been amazing the number of supporters and volunteers we have had. We wish you all a Merry Christmas and a safe and happy New Year..

YVETTE BARNES
