A LETTER FROM OUR PRESIDENT - PETER GEDDES

" Building a Future with Us" Be Part of It

Three seasons have now passed with the Club back in the VFL competition.

So many have worked extremely hard over the past few years to ensure we continue to have a bright future with our members, volunteers, our Club Board and our players who have driven our Club forward in 2019. We have now moved into the final year of our debt repayments so we absolutely want and need members financial support to continue to build solid foundations.

Supporting Community

The Frankston Football Club has come a long way in representing our community on-field and off, but we couldn't be more focused on building an even stronger legacy for our club by linking with the Mornington Peninsula community and beyond. We are more than a football team and in 2019 we took pride in so many of our community activities, including:

- Supporting the Frankston Crisis Centre with a major food donation drive in the month of July
- Partnering with the EB Research foundation to run our mid-season Butterfly Ball, which raised in excess of \$10,000 for this worthy charity
- Launching our game day Auskick experience so that local children experience the thrill of playing at SkyBus Stadium at half time of our home games
- Support the Reclink Frankston Dolphins All-Abilities team 2019 premiers with its training or games at SkyBus Stadium each Wednesday
- Frankston Tigersharks Super Rules team based at SkyBus Stadium in 2019 who just recently won/runners up in the 2020 Masters League
- Partnered with Donate Life to support Organ Donation round

Exciting Times Ahead

We have so many exciting things to look forward to.

- New stadium lights. Due for completion in the first half of 2020, these lights will provide 1000 lux of lighting, meeting the standards required for broadcasting AFL on commercial television in Australia
 - Members will have new and different ways to watch footy/ easier to get to games
- Night games for the VFL and local leagues, great evidence of investing in the community
 - More football at Frankston in 2020 which is great news in terms of growth/ community and value
- A playing surface that earned acclaim from the AFL as one of the very best in the VFL in 2019 and will continue to improve in coming years
- SkyBus Stadium continues to be the home of the MPNFL grand finals – the showcase games for local football which are quite possibly the biggest community events in Frankston each year
- A masterplan for SkyBus Stadium that includes upgraded facilities including an additional 2,000 seat grandstand and further investment in change rooms
- Our Functions by the Bay – Continues to be a leading venue/ outstanding reputation/ facility the members and club can be proud of/ reputation for functions/ conferences/ seminars and events

Football

Our key football leaders will be back in 2020, with Senior Coach Danny Ryan and captain Josh Newman both operating with a clear vision and drive to build this Club.

We are excited to have a group of players entering their third season that should help us progress. If our players continue to work hard, they should reap the rewards of the business and football foundations that have been laid over the years.

We hope to attract more elite talent to the Club over our off season to help give us potential for significant improvement.

Membership Packages

We continue to add many new benefits to our packages. Whether you come to the games or not you will save thousands by becoming a valued member. This season we will have over 200 discount deals for you to access with the updated Dolphin Members Rewards. Cheaper movie passes, bowling deals, theme parks, food and beverage discounts.

Your membership fees are so important to help us progress into building the exciting future that lies ahead for all of us. We honour our heritage and commit to building a better future with our members.

Together we are creating a new chapter in our history to be proud of.

Join us today and 'Be Part of It'

What a Season 2020 will be!

The building of a 'new' and more competitive Frankston Dolphins will continue again through the coming off-season, via new players and some new coaches jumping on-board the FFC and we will continue the theme of being "Hungry and Humble" as we strive to turn those narrow losses into wins and then add more wins to those again.

The players, coaches and staff are all busily working behind the scenes to bring these dreams to fruition. Once again we will be doing the 2 pre-season camps - one at Cerberus and another at Lorne on the weekend of Feb 22/23rd 2020. The club also has many off-field activities planned for 2020 - like the Local Club 'double-headers' - a huge success this year, and the EB "Butterfly Ball" that raised \$10,000 for charity this year. Our club is making huge ground in ways that help the local community and represent what "Good Dolphins Do".

I urge you to jump on-board the "Dolphin Train" in 2020 and BePartOfit!! - we would love you to join us on the journey as we take the Dolphins back up the ladder to where we all want to see them - headed for long term success and the VFL Finals again!

Thanks for your support and see you at the Game!

MEMBERS STORIES...

I want to share a story about our club in 2019 that I think captures so many of the things we want our club to represent. In November of 2018, Alan and Nita Burnett brought their son Alan down to watch pre-season training. Alan is 32 years old, suffers from an intellectual disability and has a deep love of the Dolphins. What Barney and Nita had initially hoped would be a brief respite for them by giving Alan a focus for a few hours, quickly turned into a commitment from the players and coaches to Alan and an out-pouring of love from Alan in return. You could set your watch each training night to the sight of Alan bounding in to training, with a handful of home-made gifts to distribute and ready to stack the footballs ready for the players to use at training.

Fast forward 10 months, and in September of this year the Burnett family were the recipients of the Dickie Furness award for Best Clubman of the football club, based on their tireless efforts across the course of the year. The reception that Nita and Alan received at our presentation night had to be experienced to be believed and the smile on Alan's face was priceless. The Burnett family have added so much to the fabric of our club and we look forward to sharing our journey with them for many years to come.

VOLUNTEERS

A big shout out to our Volunteers in 2019. You covered everything from gates, canteen, sausage sizzles, members nights, media stories, photography, merch & membership stands etc .

What an awesome effort - thank you! We need more volunteers in 2020. If you can help please contact the Club!

FRANKSTON CRISIS CENTRE

Our players headed a drive this year to pull together donated items to go to the Frankston Crisis Centre. And what a huge response they received! The centre was thrilled when our CEO and Flippa turned up with the goods.

RECLINK

FFC have been a big supporter of our local Reclink team for a number of years now. They train at the ground every Wednesday and play a home game once a month. Reclink Australia's Victorian Football League is available to people of all genders, ages, cultural groups, and abilities who have experienced or are experiencing disadvantage.

The Dolphins team are the current 2019 Reclink Premiers!

DONATE LIFE - ORGAN DONATION

We started this association with Donate Life in 2018 to highlight & bring awareness to organ & tissue donation. If you haven't already then jump online today and make sure you are registered - you could save a life!

BUTTERFLY BALL

On Saturday 6th July we held our Butterfly Ball for the EB Research Foundation at the Arts Centre in Melbourne

Players, Coaches, family & friends pulled together to raise \$10,000 for this amazing charity.
