CEO's Welcome

Dear Members,

I am delighted to invite all members, families, friends, past players and officials, supporters, sponsors, players, sports lover and communities connected with the Frankston Football Club to renew or begin their member relationship with our fine club. Over the last four years we have re-established ourselves as a strong VFL club proudly representing our community in the state league and now with the expansion of the competition to include NSW and Queensland teams we are poised to promote the brand of Frankston and the Mornington Peninsula right across the East Coast of Australia.

I personally invite you to **be part of it!** Since our renewal began in 2017 I have always been interested in people's views on our club and have spoken and consulted with hundreds of members to understand what drives the massive amount of passion for the Frankston Football Club. During that time there are 3 consistent messages coming through. We are proud that our club represents the broader region of Frankston and the Mornington Peninsula (with connections to South East Melbourne and Gippsland). We are committed to our club as a **COMMUNITY** club that plays a critical role in connecting our sporting, business, charity, not for profit, community groups, local sports clubs and aspiring youth of our region. We are excited by our club and we provide exceptional experiences for our members, players, coaches, sponsors and community partners.

In summary our club role models our values; Caring for our community, building relationships, being an inclusive club, working with those in need, sharing our opportunities, utilising our magnificent ground, lights and facilities for the betterment of all, achieving greatness on the field and off the field and inspiring our youth and leaders of our next generation. Together everyone achieves more and our strength comes from uniting our community as one. We are the **hub of the peninsula!** The next phase in our club journey is incredibly exciting and we are poised to achieve magnificent outcomes if we can respond to the challenges of the new competition. Our commitment to members is to ensure that we grow and enrich our community relationships. We are closely connected to all 22 MPNFL clubs with our Highgrove One TEAM program, we are set to begin a series of clinics to support young players, our support of the Frankston Community Market will help revitalise our community, we have an elite Football Talent Development program building the players of the future, our support for charities will blossom and expand, our connections to local traders and all our member businesses will grow and you will see the promotion of our facility as a multi-purpose event centre that will attract tens of thousands of people to Skybus Stadium. We will always be **passionate people creating better futures for all.** Please join me in 2021 and become a proud member of our club as it emerges to be our premier community club. Every member counts and every member is valued. Please sign up and feel free to contact me and share your support, views and ideas for our club.

Coaches Message

Dolphins getting bigger and better!

Even though the 'Dolphins' did not take the field, or get to kick a ball in anger this year, the Players, Coaches and Staff have remained united and committed to building this club into the powerhouse it deserves to be. Our 'connection' via online 'Zoom' meetings and small catchups whilst remaining within the government restrictions have continued whenever and wherever possible. Care and Connection is such a strong part of the fabric of our club and now more than ever we are asking that you get 'onboard' with us and jump in the "Pod" to see what really happens inside a VFL Football Club. We are more than just a football club, we are a community organisation and we are "YOUR" Community Club. Come and be part of it with us.

The competition is changing and the VFL will be re-invigorated to include teams from NSW and QLI and your 'Dolphins' will be playing and representing you in AFL matches in those states. We will be taking the Frankston Football Club to another / higher level. So much work is to be done - we are currently recruiting new players, we have new coaches joining with our existing panel, notably Rikki Johnston (2-time premiership coach from Dromana) joins us in 2021.

Further facilities upgrades are happening at SkyBus Stadium - you may have seen the magnificent new light towers that will be a new landmark for Frankston and the greater Frankston and Peninsula communities. They will light up for night football and are a sign of more good things to come at the Frankston Football Club.

I remain as committed and determined as always to transform our wonderful club into a "winning" football team - that is what the players, coaches, staff are all working towards - and is what the supporters and members deserve. We want you to be proud of your club and we want you to come with us on the journey. We want as many good people on our side, "good people make good dolphins and good dolphins do great things!" - FinsUp in 2021!

Danny Ryan - FFC Head Coach

Player Sponsorship

What better way to promote your business and support the Frankston Football Club than by sponsoring a player in season 2021?

Our Player Sponsorship system is designed to directly benefit the sponsored individual through subsidising important costs such as apparel, food, and welfare, while also supporting the club and its operations.

This season we are excited to include a number of benefits that are targeted specifically to businesses and promoting their services within the community.

The player sponsorship package includes:

- ✓ 2x Dolphins Adult Memberships
 - ✓ Your company, business or personal name on player electronic sponsor board in Clubrooms
 - ✓ Invitation to join our Presidents function at a designated home game in 2021, meet and have your photo taken with your designated player
- Proceeds from your Sponsorship will offset the costs of outfitting your player
- ✓ in match day uniform and allow access to use a GPS unit (\$315 value) for Season 2021

1000 Games of the Frankston Football Club

1000 games standing tallest when standing alone!

Limited Edition Members Guernsey

In 2021, The Frankston Football Club will play its 1000th VFA/VFL fixture. This is a tremendous achievement for any club, but particularly a standalone club competing in the top tier semi-professional competition in Victoria. This milestone is a direct reflection of the strength and durability of the Frankston community, and more particularly our loyal fans and members. To celebrate, the Dolphins will be wearing a special one off, limited edition 1000th game 'members guernsey' to commemorate the occasion.

The guernsey will have all 2021 members names presented and will exclusively be available to purchase if you are a 2021 member! Make sure to purchase the guernsey as an add on when buying your membership, once gone, this special item will never be available again!

This offer is available to all 2021 members that sign up before 1st March 2021.
