WE OWN NIGHT FOOTBALL!

CEO'S *Welcome*

Dear Members,

I look back on 2021 with night football so well received by our Community and the performance of our VFL team and for the first time the inclusion of our Womens team in SEWFL Division 1. You can't help feeling proud about where we have come from since being re admitted into the VFL in 2018. Food vans and kids jumping castles created a unique atmosphere at Skybus stadium.

Membership is the lifeblood of all football clubs and we hit a new record 1394 members in 2021. We can't do it without your support. I am delighted to invite all members, families, friends, past players and officials, supporters, sponsors, players, sports lovers, and communities connected with the Frankston Football Club to renew or begin their member relationship with our fine club.

Over the last four years we have re-established ourselves as a strong club proudly representing our community in the state league including teams in NSW and Queensland. We promote the brand of Frankston and the Mornington Peninsula right across the East Coast of Australia. We are heavily involved in our community and your support also helps us to develop our Women's side with a future aim to field a side in the VFLW competition.

We have worked hard to provide a 2022 membership program that has become more than a ticket to the game. With your membership, you receive access to over 200 discount deals that will save you thousands! Enjoy cheaper movie passes, bowling deals, theme parks, food and beverage discounts, and much, much more, all included in your membership package. I personally invite you to be part of it! We want you to continue to join us in building the future. I am only a phone call away on 0412 352 241.

COACHES

Message

Good people make 'Good Dolphins' and 'Good Dolphins' do Good Things!

Last year your football team did some 'good things' both on the field and off the field.

We won more games than we lost, we were in the Top 8 for the majority of the interrupted VFL season and finished with a healthy percentage of over the 100 mark. These are all significant because it means the team is playing good, competitive footy – and having a lot of enjoyment in seeing the fruits of their labours coming to fruition on the ground. We hope you enjoyed watching the boys play!

Off the ground and away from the spotlight – we have a very connected and caring group of Players, Staff and Coaches working together to ensure that your club is becoming a special place for all to 'Be Part Of It'. You may have seen how the FFC and the broader support network got together and raised a significant amount of money to support our previous HP Manager, Chris Ross – who was diagnosed with MND at the age of only 31- a great effort by all involved.

The new lights at SkyBus and "Friday Night Lights" as a feature of our home games fixturing, was a great result and if you were at any of those games you would have been a part of the electric atmosphere of those games and the enormous crowd support that helped drive the team to some great victories. I hope to see all of you + more of your family and mates coming along to 'feel' it for themselves as well. This season will present greater challenges to our team - and we welcome them to test ourselves and stay aligned to our purpose of striving towards being a bonafide VFL finals team. We have moved from the bottom third of the ladder to the middle third, but complacency is the enemy and we will be working super hard to continue to improve to drive the team further "up the mountain", step by step.

We are assembling our 2022 list and the majority of our young talent will be turning out in the 'Red, White and Black' for your Frankston VFL team again – we will add some additional talented signings to improve us and the Coaching Group has also stayed mainly intact. Consistency is very much the key to sustaining a high-performance environment, and that is what the VFL competition really is. There can be no shortcuts and the team will certainly not be taking any – we remain committed to living as 'Hungry + Humble' players, coaches and staff – in fact as we improve, we only have one choice and that is to actually work even harder in our pursuit of success – we will roll up our sleeves and simply 'Press On'.

After the performances the team gave last season, we are very much looking forward to continuing the upward trend – and I would encourage you to jump onboard with us as we 'Press On' to greater heights next season.

Go to the website at <https://frankstonfc.com.au/2022-membership-packages/> and choose the option that suits you and your family. We love having our fantastic members cheering us on at our games!

The players / coaches and staff really get a lift out of your support – so get along to SkyBus, "Make some Noise and Support the Boys!"

CHARITY PARTNERS

Initiating, developing and maintaining relationships with community minded organisations is pivotal in our quest to make an impact on the Frankston community. We are proud to align with charities who all make an incredible contribution to society within our region.

All of our charities have the capacity to assist people who are struggling with physical, emotional, social and financial health. Our community is not immune to the potential brutal struggles of life, which has particularly impacted more Frankstonians during the Covid-19 pandemic.

We value all people in Frankston and have a duty to assist the charities serving our most vulnerable members in the community.
